Miss Marple: The Complete Short Stories gathers together in one magnificent volume all of Agatha Christie's short stories featuring her beloved...
intrepid investigator, Miss Marple. It’s an unparalleled compendium of murder, mayhem, mystery, and detection that represents some of the finest short form fiction in the crime fiction field, and is an essential omnibus for Christie fans. Described by her friend Dolly Bantry as “the typical old maid of fiction,” Miss Marple has lived almost her entire life in the sleepy hamlet of St. Mary Mead. Yet, by observing village life she has gained an unparalleled insight into human nature—and used it to devastating effect. As her friend Sir Henry Clithering, the ex-Commissioner of Scotland Yard, has been heard to say: “She’s just the finest detective God ever made”–and many Agatha Christie fans would agree. A visiting dignitary in London asks for security—and gets extra help from a clever feline—in a novel starring “the nonpareil among criminal investigators” (The New York Times). Superintendent Alleyn’s old school chum, nicknamed the “Boomer,” has become the president of the newly emerged African nation of Ng’ombwana, newly emerged in the wake of colonialism. Old school ties being what they are, his friend—making an official visit to London—insists that Alleyn handle his security, rather than Her Majesty’s Special Branch. The Special Branch is not best pleased about this, as the Boomer is known to have some very deadly enemies, and the threats only increase when the Ng’ombwanan ambassador is killed. Happily for the Boomer, not only is Alleyn up to the task, but he is assisted by a rescued cat who proves extremely adept at finding clues . . . “The brilliant Ngaio Marsh ranks with Agatha Christie and Dorothy Sayers.” –Times Literary Supplement At Last All The Poirot Short Stories In A Single Volume My Name Is Hercule Poirot And I Am Probably The Greatest Detective In The World. A girl who had everything . . . until she lost her life. Armchair Fiction presents Mammoth Mystery Double Classics-featuring illustrated editions of two all-time mystery-crime standards, with 440 pages or more of whodunit thrills. This double novel features two classics by the queen of murder mysteries, Agatha Christie. The first tale is a Hercule Poirot thriller, "The Mysterious Affair at Styles." There were not less than seven people at the fashionable Styles estate in Essex who might have felt a certain degree of comfort if Emily Inglethorp were more dead than alive. There were not less than seven motives and no fewer than seven apparently foolproof alibis when the wealthy lady was found murdered in her bed. So this led to the ultimate question-had the perfect crime been committed? Left to less perceptible eyes than those of the scrupulous M. Hercule Poirot, a monstrously malignant murderer might have gone unpunished. But slowly and surely, Poirot, the master Belgian detective, began to carve a path toward the identity of the killer. "The
Mysterious Affair at Styles marked the first appearance of Agatha Christie's beloved Belgian sleuth, Hercule Poirot. Over the years, Christie's dogged passion for detail and her cool perception of character made her an unparalleled creator of literary crime. Our second Christie tale is another great one, "The Secret Adversary." Tommy Beresford and Prudence "Tuppence" Cowley are unemployed, broke, and seeking some adventure in their young lives. A chance meeting between these two old friends becomes a destined partnership when they create "The Young Adventurers, Ltd.," where they are "willing to do anything, and go anywhere." But they seem destined to get more excitement than bargained for when the duo is asked to take on the case of the missing Jane Finn, whose disappearance with highly secretive government papers spells potential disaster! Twists and turns abound with Tommy and Turppence on the case, as they soon find more thrills and danger than they ever dreamed of. Joined by American millionaire Julius P. Hershimmer, they follow the clues into a mystery embroiled with wartime intrigue, murder, and the sinister Mr. Brown. The complete novels of Dashiell Hammett—including The Maltese Falcon and The Thin Man—are collected here, offering a harrowing, realistic portrait of crime and introducing such memorable characters as Sam Spade. The world's most beloved detective, Hercule Poirot—the legendary star of Agatha Christie’s Murder on the Orient Express and most recently The Monogram Murders and Closed Casket—returns in a stylish, diabolically clever mystery set in the London of 1930. "We Agatha Christie fans read her stories—and particularly her Poirot novels—because the mysteries are invariably equal parts charming and ingenious, dark and quirky and utterly engaging. Sophie Hannah had a massive challenge in reviving the beloved Poirot, and she met it with heart and no small amount of little grey cells. I was thrilled to see the Belgian detective in such very, very good hands. Reading The Monogram Murders was like returning to a favorite room of a long-lost home." — Gillian Flynn, author of Gone Girl

Hercule Poirot returns home after an agreeable luncheon to find an angry woman waiting to berate him outside his front door. Her name is Sylvia Rule, and she demands to know why Poirot has accused her of the murder of Barnabas Pandy, a man she has neither heard of nor ever met. She is furious to be so accused, and deeply shocked. Poirot is equally shocked, because he too has never heard of any Barnabas Pandy, and he certainly did not send the letter in question. He cannot
convince Sylvia Rule of his innocence, however, and she marches away in a rage. Shaken, Poirot goes inside, only to find that he has a visitor waiting for him—a man called John McCrodden who also claims also to have received a letter from Poirot that morning, accusing him of the murder of Barnabas Pandy Poirot wonders how many more letters of this sort have been sent in his name. Who sent them, and why? More importantly, who is Barnabas Pandy, is he dead, and, if so, was he murdered? And can Poirot find out the answers without putting more lives in danger?

Murder darkens the bright days of summer in an idyllic Suffolk village, in an Albert Campion mystery that is simply “unforgettable” (A.S. Byatt). Private detective Albert Campion’s glorious summer in Pontisbright is blighted by death. Amidst the preparations for Minnie and Tonker Cassand’s fabulous summer party, a murder is discovered—and it falls to Campion to unravel the intricate web of motives, suspicion and deception. Danger is hardly unknown in this idyllic rural village, but it is a less romantic peril than Campion faced on his first visit, more than twenty years ago. . . . “My very favourite of the four Queens of Crime is Allingham.” —J. K. Rowling “Margery Allingham has precious few peers and no superiors.” —The Sunday Times “Allingham has that rare gift in a novelist, the creation of characters so rich and so real that they stay with the reader forever.” —Sara Paretsky Here, for the first time in one volume, is the complete collection of fifty stories about Hercule Poirot. This anthology brings together the complete collection of fifty stories Christie wrote about the dapper detective with the egg-shaped head and the huge black mustache Hercule Poirot observed his fellow passengers on the Orient Express: a Russian princess, an English colonel, an American with a strange glint in his eye and many more. He was looking forward to the journey. But is was not to be. After a restless night, he awoke to find that tragedy had struck. A collection of engrossing Miss Marple mysteries include an assortment of characters from angry in-laws to a glamorous actress The Murder on the Links is Agatha Christie’s second Poirot novel, featuring the brilliant Belgian detective and his sidekick, Captain Hastings. In this characteristic whodunit, Poirot is summoned to a seaside town in northern France by a desperate letter from a rich businessman, who fears that he is being stalked. Poirot arrives to find the businessman already dead, his body lying facedown in an open grave on a golf course, a knife in his back—the victim of a mysterious murder. Over the coming days Poirot
clashes wits with an arrogant Parisian detective, Giraud, while Hastings finds himself pining after a beautiful but shadowy American expatriate known to him only as “Cinderella.” Together, Poirot and Hastings unravel the intricate web of mystery and deceit behind the murder. Christie based this mystery after a real-life French murder case, and it’s believed that this is the first detective novel to use the phrase “the scene of the crime.” This book is part of the Standard Ebooks project, which produces free public domain ebooks. A low-priced collection of five unabridged mysteries includes Miss Marple’s first case, The Murder at the Vicarage, along with Sad Cypress; N or M?; Towards Zero; and Dead Man's Folly. The Agatha Christie Collection focuses on the early works of the best-selling fiction writer of all time.
